**TEACHING IS  
OUR PASSION  
&  
YOUR CHILD IS  
OUR PRIORITY**

# OUR OBJECTIVES

- 📖 To mould the children and help them to improve themselves in all aspects i.e. educational and co-curricular activities.
- 📖 To create an atmosphere of a HOME away from HOME where they learn while they play.
- 📖 To allow children to work on their teamwork abilities.
- 📖 To promote cognitive development which helps children to develop their thinking skills, problem-solving skills and creativity.
- 📖 To enhance social and emotional development through play and quality care which helps children to learn how to interact with others, cooperate and resolve conflict.
- 📖 To build confidence and social skills in children like Communication skill includes verbal and nonverbal, Emotional Intelligence, Problem-solving, Sharing, Listening, Helping others, Making an apology, Moral Values etc.
- 📖 To provide support & care to ensure his/her right to protection, care, survival and preparation for school education through play, enjoyment and introduction to literacy & numeracy i.e. languages & arithmetic papers & also of other subjects which he/she will learn in details in Primary Section.
- 📖 To introduce Artificial Intelligence which includes Computer - enhanced learning, reasoning and perception.
